

Sinclair uses the public airwaves free of charge, and is obligated by law to serve the public interest. If an anti Kerry peice (Stolen Honor) is aired it is absolutely nessesary to also air a pro Kerry peice (Going Upriver) with an explanation of who and under what circumstances both peices where produced. Certainly airing niether would be a good solution as well. Public airways belong to the people and are one key to a functioning democracy! Sinclair's actions show why we need to strengthen media ownership rules, not weaken them. They show why the license renewal process needs to involve more than a returned postcard. Thank you.
